

Alliance cornerboard is available in more than 100 sizes that can be shipped almost immediately to anywhere in the country, or can be made-to-order and shipped in less than 2 weeks.

Alliance cornerboard and edge protectors reduce shipping costs and product damage, improve customer satisfaction and provide superior load stability. They are efficient and environment-friendly methods of reducing customer rejection rates.

CALIPER	LEG SIZE	LBS/FT	Total Ft for 44M Lb T/L	PIECES PER PALLET			Minimum Length
